8.6 Bootstrap CSS Forms

8.6.1 Basic Form Structure

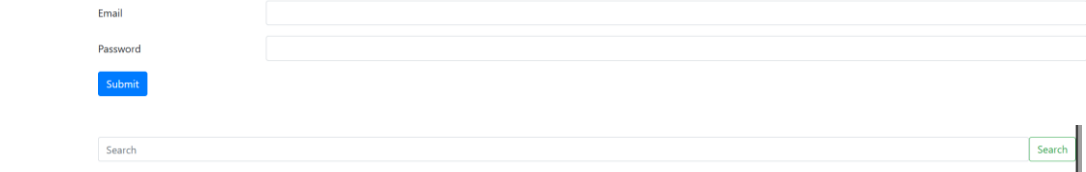

A screenshot of a web browser showing a basic Bootstrap form. The form includes an "Email address" input field with the placeholder text "name@example.com", a "Password" input field, and a blue "Submit" button.

8.6.2 Form Layouts

A screenshot of a Bootstrap form layout. The labels "Email" and "Password" are positioned to the left of their respective input fields. A blue "Submit" button is located below the password field.

8.6.3 Inline Forms

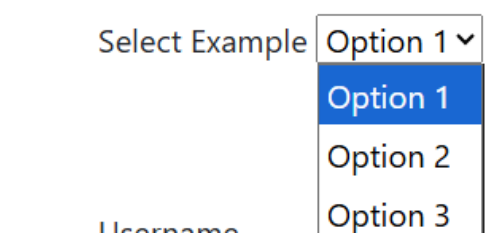

A screenshot of a Bootstrap form layout. The labels "Email" and "Password" are positioned to the left of their respective input fields. A blue "Submit" button is located below the password field. Below the form, there is a search bar with the placeholder text "Search" and a green "Search" button.

8.6.4 Form Control

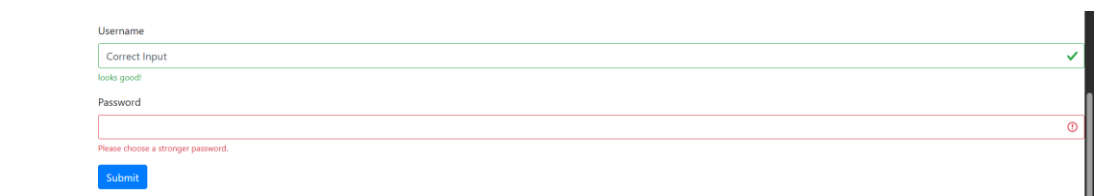

A screenshot of a Bootstrap form control. It features a large text area with the placeholder text "Example Textarea".

8.6.5 Select Menus

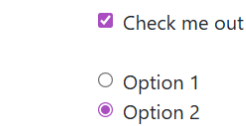

A screenshot of a Bootstrap select menu. The label "Select Example" is to the left of the dropdown menu. The dropdown menu is open, showing three options: "Option 1", "Option 2", and "Option 3". "Option 1" is highlighted with a blue background.

8.6.6 Form Validation

A screenshot of a Bootstrap form with validation feedback. The "Username" input field has a green border and a green checkmark icon, indicating successful validation. The "Password" input field has a red border and a red circle icon, indicating a validation error. Below the password field, a red message reads "Please choose a stronger password." A blue "Submit" button is located below the form.

8.6.7 Checkboxes and Radios

A screenshot of a Bootstrap form with checkboxes and radios. The first row contains a checked checkbox and the text "Check me out". The second row contains two radio buttons, with "Option 1" selected (indicated by a purple dot) and "Option 2" unselected.

8.6.8 Input Groups
